

PROVIDING FOR THE CONSIDERATION OF H.R. 2460,  
WIRELESS TELEPHONE PROTECTION ACT

---

FEBRUARY 25, 1998.—Referred to the House Calendar and ordered to be printed

---

Mr. PRYCE of Ohio, from the Committee on Rules,  
submitted the following

REPORT

[To accompany H. Res. 368]

The Committee on Rules, having had under consideration House Resolution 368, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

BRIEF SUMMARY OF PROVISIONS OF RESOLUTION

The resolution provides for the consideration of H.R. 2460, the “Wireless Telephone Protection Act” under an open rule. The rule provides one hour of general debate divided equally between the chairman and ranking minority member of the Committee on the Judiciary.

The rule waives clause 2(1)(6) of rule XI (requiring a three-day layover of the committee report). It makes in order the Judiciary Committee amendment in the nature of a substitute as an original bill for the purpose of amendment, each section of which will be considered as read.

Members who have pre-printed their amendments in the Record prior to their consideration will be given priority in recognition to offer their amendments if otherwise consistent with House rules. The rule allows the Chairman of the Committee of the Whole to postpone votes during consideration of the bill, and to reduce voting time to five minutes on a postponed question if the vote follows a fifteen minute vote.

The rule provides for one motion to recommit with or without instructions. Finally, it provides that after passage of the House bill, it will be in order to move to insert the House passed language in the Senate bill number.
